**Salisbury Volunteer Ambulance Service
CAMPAIGN FOR THE NEW AMBULANCE**

We need your help funding the purchase of a New Ambulance!

The ambulance we need to replace is 20 years old and has several serious problems. It is not in compliance with new State regulations, lacks new technology, and the upgrades that are required would cost in excess of \$50,000.

The new F-450 vehicle will cost \$250,000. It will have up-to-date technology and will help our volunteers meet the needs of their patients, and in turn, save lives in our community. It has been over 10 years since we asked for your help in purchasing a new vehicle.

Please visit www.salisburyambulance.org/donate. **THANK YOU!**
